

## Sudoku Exercise with different difficulty level.

This document contains some classic Sudoku puzzles.

Use the classic Sudoku rules: All columns, lines and 3 by 3 blocks contain every digit from 1 to 9 only once.

We assume no liability for the correctness of the answers. If you find any errors or outdated answers, please send us a message. We look forward to your constructive feedback.

Have fun with the puzzles! The Team of BrainSportHero.com.
